TAPAS
THURSDAY
5 PM - CLOSE

We're passionate about sustainability. To combat food waste, we've introduced a waste charge policy. A small fee will be added for any unconsumed dishes left on the table post-meal. Join us in promoting mindful consumption and reducing our environmental impact. Thanks for being part of our commitment to a sustainable dining experience.

For Tapas Thursday, all individuals seated at the table are required to participate in our all-you-can-eat tapas experience to access offerings.
